SUBJECT: Czech Identity Papers

1. Reference is made to letter, same Subject, dated 4 April 1951, B-4.

2. I was requested that sample Czech identity paper should be returned by 15 April 1951.

It will be sufficient to only return by such date the *potvrzení průběžně trvalého pobytu*, whereas the *Czechoslovak* *průkazy* can remain with you for a longer period.

3. A report giving details on legally issued Czechoslovak *průkazy* will follow. It has further been arranged to receive as many legally issued Czechoslovak *průkazy* as possible as to enable you to get the necessary details; such papers will have to be returned to proper source within a few days in each case. Should it not be possible to forward the originals, you will be served with photostats. The respective circle, working in close collaboration with Father van GEMM, believes to know the numbering system.

4. May I ask you for your experience, if owners of the Czechoslovak *průkazy* are fully authorized to travel freely in GER including border areas (as was stated by above circle).
